LETTER BY THE IFAA PRESIDENT

Welcome to the revamped website of the IFAA which symbolises a revamp of the IFAA, based on its founding principles as written in the PREAMBLE and Article II of our Constitution: “The joining together of individuals and nations through the preservation and usage of man’s most ancient weapon, the bow and arrow and to promote and develop field archery and other archery sports through the world”.

To be an archery association controlled by archers and run by volunteers who will assure continuation o

Our main goal is the promotion of our sport through enjoyment of our sport, the social interaction betwe

We started losing this over the years because of the way our international events have been run. We ha

What has happened to our Wednesday and/or Friday “Swop shop” during or at the end of a tournament

Have our archers simply become medal collectors, using the classification system to their advantage at

The membership with TAFISA reinforces our principle: “Physical activity by means of archery: the enjoy

This will be my drive for as long I am President of this association and hopefully this website will be one

This website will be subjected to an ongoing update of information. Most of which will be down loadable.

I hope to make this web page a “window” that allows archers to look inside the running of our organisati

The intent is to allow archers to send in questions and comments as well as “likes” and “dislikes”. Promi

This all will take some time and I ask for your patience. Link onto our website on a regular basis to stay

Loet Smit

IFAA President
